Re: Supplemental Order for  
divorce decree

Have attached to Judge Lodge's order of 2/28/77 a copy of the supplemental order to be drawn for Canyon County. Each clerk should have a copy printed for use in her county. The only changes you should make are those referring to the county in the heading, place of payment in paragraph "c", and name of the clerk at bottom of the supplemental order.

Procedurally, suggest the court clerk take into the court room the memos stating "supplemental order required" and, when the court orders it as part of the decree, the court clerk hands the memo to the attorney who takes it out to the filing clerk with the court file. The filing clerk then signs and attaches the supplemental order to the original decree and all copies.

Any questions, give me a call.
