TO ALL MAGISTRATES:

I am enclosing, for your information, a copy of the Order fixing terms of Court and also fixing Motion Days in District Court and in Magistrate Division of District Court.

Since it has been the custom for the District Court to call Calendars on the opening day of each Term, it might be best for the Magistrate Division to fix another day for calling calendars and for dismissals under the Rule. In Counties where there is only one Courtroom it could pose a problem to attempt using the same day for calendar call.
